(if you have adopted a big dog and would like to walk with us, we would LOVE to have you...email us and we will share the details!)

People tell us all the time that they want to help Big Dog, but cannot adopt....they want to know what else they can do....well, here are a few ways you can make a difference:

1) Adopt

2) Foster

...if you can't adopt, consider fostering. The more foster parents we have, the more lives we can save. Big Dog provides medical care, all necessary medications and in most cases food and basic supplies.

3) Spread the word!

Share the newsletter or friend us on Facebook and help by sharing our post with your friends.

4) Donate!

Without donations we would not exist. We need not only financial donations but also supplies, collars, leashes, towels, beds, medications, food, toys, etc!

5) Shop!

Big Dog now has a thrift store called TACT (Thriftling for Animals and Children in Tallahassee) it is located at 3345 North Monroe Street and the profits benefit Big Dog. You can help by donating resalable items or by shopping...and they will pick up your donations!

6) Spay and Neuter!

If everyone spayed or neutered their pets, there would not need to be a Big Dog Rescue and we would LOVE to go out of business because there are no homeless pets.

Big Dog is participating in the RELAY FOR LIFE! If you would like to be part of our team as a walker or donor, please contact our team captain Scott at srg024@gmail.com

HUGE thanks to Northwood Animal Hospital and the Animal Hospital & Pet Resort at Southwood for their annual Rescue Relief!

Did you know that every year these two clinics collect supplies and money to help the holiday season be a little brighter for many of the local rescues?

We have been lucky enough to be part of this tradition for the past several years and we could not be more thankful to them and those who donate each year! Huge puppy kisses!
