Help us win \$1000!

A friend of Big Dog Suggested....

We have an amazing friend who suggested that we enter a contest at www.signupgenius.com/contest/nonprofit. The most voted on nonprofit will win \$1000. That would go a long way towards helping many of our animals! So...please go VOTE!

Success Stories

I thought I would use this space....

to share a few heartwarming success stories....

Like Goldfish!

Goldfish was a 10 year old chihuahua that was seized from a puppy mill. At ten years old she had been bred and bred with no real chance to be a pet and be part of a family. When we rescued her from the Tallahassee Shelter, she had to be spayed and had almost every tooth she had removed. After several months in the program, she found a loving home and this is her one year later!

help Big Dog....

Become a foster.... The more foster homes we have, the more pets we can save!

Donate...food, money, collars, leashes, old medication, beds, flea and heartworm prevention!

Volunteer...we always need help...especially setting up and breaking down adoption events!

Spread the word!
Share the newsletter,
follow us on twitter,
like us on facebook!

Special thanks to the folks at Railroad Square Art Park who invited us out to "Peace in the Park" this month and to the folks at Shiloh Farms who hosted the "Pittie Party" this past weekend...we have a great time coming out and meeting new people!

Like Mugsy/ Gator!

Mugsy is an English Bulldog...I know everyone thinks why should a pure bred in demand dog be a success story?...But, Mugsy had lived his first year of life on a rope...tied out and taught no manners. He had learned that if you want to eat, you have to defend your food....from people! When we rescued Mugsy from the Tallahassee Shelter, he was very thin, not neutered, and had quite a few UGLY scars and WORSE behaviors. After alot of work and help from some "bully" friends...Mugsy now Gator has a loving family and even his own facebook page! Gator the English Bulldog....

Like Hannah and Hobbit!

You might remember the plea we had done for the doxie girls from the family where one elderly owner had passed away and the other suffered from Parkinsons. Hannah was the old lady of the group...she finally found a home with Hanna the human and her old pal Tootsie Roll! Little Hobbit was by far the most shy of all the girls...she finally found her forever home with a recently retired couple who love her like she deserves to be loved!

Thanks for everything you do to be part of the Big Dog Family...we could not do the work we do without you!

Sincerely,

Tallahassee Big Dog Rescue
