Funny of the Month!

If you want someone who will eat whatever you put in front of him and never say it's not quite as good as his mother's...

then adopt a dog.

If you want someone always willing to go out, at any hour, for as long and wherever you want...

then adopt a dog.

If you want someone who will never touch the remote, doesn't care about football, and can sit next to you as you watch romantic movies...

then adopt a dog.

If you want someone who is content to get on your bed, just to warm your feet and whom you can push off, if he snores...

then adopt a dog.

If you want someone who never criticizes what you do, doesn't care if you are pretty or ugly, fat or thin, young or old, who acts as if every word you say is especially worthy of listening to, and loves you unconditionally, perpetually...

then adopt a dog.

BUT, on the other hand, if you want someone who will never come when you call, ignores you totally when you come home, leaves hair all over the place, walks all over you, runs around all night and only comes home to eat and sleep, and acts as if your entire existence is solely to ensure his happiness...

..then adopt a cat!

email...we will turn those left overs into a smaller vet bill! AND to find out when our next sale is, check out our facebook page!

Summer is the Season of Heartworms!

There has been an alarming increase in the number of dogs coming into the local sheter with heartworms! Heartworms come from mosquitoes and unfortunately, in Florida even in December, we have mosquitoes....so your dog ALWAYS has a chance of getting heartworms. Heartworm treatment is not only REALLY expensive but it is rough on the dogs too and a death from heartworms is probably one of the worst possible. The saddest part is that it can be PREVENTED...so when you are checking your calendar for summer fun, be sure you are not missing that once a month life saver for your dog!
